

The PEAS Meetup Group Presents

Classroom Accommodations & Modifications: What Parents Need to Know

Facilitators: Kelly Mastin & Cindi Paschall

Thursday, May 2, 2013 from 6:30 PM – 8:30 PM
The Arc of Northeast Tarrant County (Arc House)
1806 Haltom Road, Haltom City, Texas 76117

Some students with disabilities need accommodations or modifications to their educational program in order to participate in the general curriculum and to be successful in school. While the Individuals with Disabilities Education Act (IDEA) and its regulations do not define accommodations or modifications, there is some agreement as to what they mean. Join us as we explore these two terms — their meanings and examples — and review how decisions are made for a student and written in his or her Individual Education Plan (IEP).

Space is limited. Registration required. **Registration deadline: April 30, 2013.**
