

Dear Parents,

Beginning February 1, 2016, the Brent Woodall Foundation for Exceptional Children (BWF) will offer the After School Academy with group therapy services three times a week for two hours (Mondays, Wednesdays, and Fridays, 4:00-6:00pm). The curriculum will focus on addressing four skill areas: language, behavior, academics, and social development. Data will be collected according to these areas, and a summary will be provided each day. Each child is required to schedule an initial assessment before February 1, 2016, to determine his/ her target goals. Follow up assessments will be conducted every six months and should be scheduled outside of the Academy sessions. After School Academy is a month long program and your child will be automatically registered for the following month upon receiving the payment unless prior notice is submitted to be withdrawn from the program.

After School Academy costs \$20 per hour, and payment is required on the 1st of every month. This program accepts private pay and third party grants only; it is not covered by insurance or BWF grants. Pro-rating, make ups, and refunds are not available.
