

The Learning Together Workshop Series Presents...

Making the Best Use of the iPad® and Other Cutting-Edge Technology Tools to Enhance Learning

Presented by Susan Fitzell, M. Ed, CSP

Whether you are a beginner with technology or a tech-savvy user, this session is for you! In this strategy-packed session, parents, professionals and individuals who have a disability will discover practical ways to use technology to enhance learning.

AN OPPORTUNITY YOU DON'T WANT TO MISS!

- Discover the latest new — free and inexpensive — apps for iPads and other handheld devices
- Explore outstanding websites and the latest technology innovations
- Gain tips and timesaving strategies to fully engage learners
- Save yourself hours of time searching through hundreds of apps and technology resources

If you have a laptop, iPad®, or other portable device bring it with you. Don't own a device — no worries, it is not required for participation!
