PEAS Mission

To create a network of support for families of, and children who, experience life with a disability label.

We Believe

- in our children and their hopes and dreams
- in the use of People First Language and recognize that labels do not define our children or their potential
- that all people have value and can contribute in their own way
- in each other and know that together we are stronger

Our Work

- Informational Meetings
- Online Discussion Board
- Parent-to-Parent Support & Networking
- Social Events

PEAS is a program of The Arc of Northeast Tarrant County, an agency promoting the human rights of individuals with intellectual and developmental disabilities (IDD).
